Dear Sir:

Petition to Revive Under 37 C.F.R. 1.137

Applicant hereby petitions to revive the above-identified patent application as unintentionally abandoned. The application was abandoned for failure to timely file a proper reply to the Office letter mailed on 29 August 2006. The response was filed in a timely fashion on 11/29/2006. The serial number on the fax transmittal was incorrect, which caused the response to be sent to the wrong location. However, the serial number on the response was correct. Enclosed is a copy of the previously filed response and a check for the Petition fee. Applicant respectfully asks that the petition fee be waived due to the response being filed in good faith and that the serial number was correct on the response.

Respectfully submitted,
Stuart Berkowitz et al.
